

Reynolds Secondary School Grade 10 Band

Quarter 2 Schedule Update

Hello!

Thank you for an outstanding first quarter in the Reynolds Grade10 Band! Thank you for being flexible and rolling with the changes as we adapted to the new quarter system in the band program at Reynolds!

1.) Grade 10 Band / Green Band Schedule

For Quarter 2, Band 10 moves outside of the timetable to Friday mornings from 7:30am – 8:30am in the gym starting on Friday, November 27th (this Friday is a Professional-Development day for staff only).

Participation is a mandatory.

You will be combining with the Grade 9 band to form an ensemble historically known as the Reynolds **“Green Band.”** This junior concert band model allows our grade 10s to act as musical leaders AND allows our grade 9 students to learn from those grade 10s in leadership positions.

Packages of music will be available in the band room for you to pick up on Thursday, November 19th.

****Strict adherence to social distancing, the use of masks/band masks, hand washing, and knowing where you are seated in the ensemble are required for participation in the band and for overall success in the ensemble.****

Thank you!
Mr. Davis
