

REYNOLDS RMPA

MEETING MINUTES from: May 14, 2026

Attendees:

Jamie Davis, Katy Kerr, Desiree McCormick, Natalie McKay, Pauline Robertson, Sandra Cranz, Todd Webber, Theresa Jackson, Kelly Shera

Director Reports:

Katy

Things have been busy, including festival in Kelowna, Oak bay Festival, and will be participating in KODA again June 16.

15 kids in spring Vocal Jazz

Choir and strings concert June 10

Musical - there is a watch party booked for last day, Monday June 22, musical parents are invited as well Musical students are helping Rogers and Cedar Hill with musical productions that are going on. Considering doing Shrek for musical next year.

Jamie

Welcome back Jamie!

Senior band opened for Lakehill Little League, Mothers day event/concert

There was a discussion of doing a bake sale next year at the Mothers day event/concert– captive audience, possibly selling water as well. Natalie will look into this approvals regarding this.

Marching band season:

Victoria day parade has been changed from 4 km to 1 km, parade for Oak Bay tea party was cancelled.

Tour organizers have looked into the marching band participating in the Steveston Salmon Festival, a 3 km route. There are 70 kids signed up for this.

Year end concert is coming up at the end of May and drumline played at TC 10K, Jr Jazz band played this day for transition day and are planned to play at the MS walk, Senior Jaz band will play at the sports Awards Ceremony.

Jr Band trip – it went great and the kids were wonderful.

Possible idea for next years band trip(s): repositioning cruise, or destination and then smaller cruise

Cambridge uniforms have been in touch, they have 85 meters of plaid/tartan fabric that they have and have been holding for us since 2012 and have reached out and are asking for us to pay for it and take possession of this fabric. Jamie will continue to discuss a price with them about this and one of the RMPA will be over there (North Van) and likely would be able to pick up the fabric, saving us the shipping costs.

Upcoming bottle drive:

Flyers will be distributed the Sunday prior (May 24) to the drive (May 30).

Tree chipping is booked for January 2, 3 and 8, 9 2027.

Next year:

Desiree briefly reviewed other items that will need to be considered:

We will need someone who can manage the website.

Running list of volunteers

Email that will need to be monitored

Sign up sheets for who wants to take what things on

Someone to attend PAC meeting on behalf of RMPA

An email will be sent out to parents re: donations of pants and shoes from those that are graduating

Uniform returns – we have used the drycleaner that is across the street from Saveon Foods, they have always been very good with us.

Additional: PAC will also need new members as many of the current members are 'graduating' as with RMPA.

Next meeting June 18, 2026.
